Dear sir or madam,

I am an alumni of Bournemouth University, graduated in 1997 with MSc of Tourism Management. I currently need to find a copy of my dissertation for my job as lecturer in Tourism Management in University of Sahid Indonesia since I lost my own copy.

Please advise how to find it.

Thank you in advance for your kind attention to this matter. Looking forward to hearing from you as soon as possible.

Sincerely yours

Hi Ismayanti.

Thank you for your email which has been forwarded to Student Verification.

I regret to advise Bournemouth University would not still hold a copy of your dissertation as you graduated over 25 years ago.

I'm not sure there is anywhere (exams board/Open University?) that would be able to help should you wish to investigate further.

I am sorry I am not able to assist and hope you manage to locate a copy.

Best wishes,
