Salam Dr Morissan,

Please find attached is the final check for the content of the manuscript. Please go through it. Should you agree to accept the changes, please click accept all changes and send us the final clean copy of the manuscript.

Please do a final check on the Format including the references to ensure that everything adheres to the journal's requirement. Apart from that we also require you to provide a short biodata (around 50 words).

Finally, we require you to fill in the copy right form for the publication.

Appreciate if you could return both the clean manuscript as well as the copyright form by 19 December 2022. We anticipate publication to be out by the end of December 2022.

Thank you.
