04-Oct-2022

Dear Dr Ellya Sinurat:

Your manuscript entitled "Application of Placket Burman Design Analysis for Optimization of the Physicochemical Properties of Multispecies Surimi", which was submitted to Journal of Aquatic Food Product Technology, has been peer reviewed and recommended for publication.

Major revisions and further review.

The reviewer comments are included at the bottom of this letter. Please respond to the reviewer(s) comments in a separate response letter and make appropriate revisions to your manuscript within 45 days.

When you revise your manuscript please highlight the changes you make by using the track changes mode in MS Word or highlight your changes in bold text.

To submit a revision, go to <https://rp.tandfonline.com/submission/flow?submissionId=225116588&step=1>. If you decide to revise the work, please submit your revised manuscript within 45 days. Please include a rebuttal against each point which is being raised when you submit the revised manuscript.

If you have any questions or technical issues, please contact the journal's editorial office at WAFP-peerreview@journals.tandf.co.uk.

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the upload.

Because we are trying to facilitate timely publication of manuscripts submitted to Journal of Aquatic Food Product Technology, your revised manuscript must be uploaded within 45 days. If it is not possible for you to submit your revision in this amount of time, we will have to consider your paper as a new submission.

233967122 (Journal of Aquatic Food Product Technology) - changes required to your submission

Journal of Aquatic Food Product Technology

Dari: onbehalfof@manuscriptcentral.com

Kepada: elya_sinurat@yahoo.com

15-Jan-2023

Dear Dr Ellya Sinurat:

Your above referenced manuscript, entitled "Characteristics of Powder Agar Extracted from Different Seaweeds Species and Locations" has been unsubmitted to Journal of Aquatic Food Product Technology. It may either have been unsubmitted at your request or because you did not complete all necessary parts of the submission.

1) Incorrect reference style

Please remove the numbering of your reference.

Please visit the instructions to authors to complete your submission and re-submit the manuscript for consideration of publication.

To re-submit your manuscript, please go to your author dashboard at <https://rp.tandfonline.com/dashboard/>, locate the manuscript and click 'Resume'.

You may contact the Editorial Office if you have further questions.

Sincerely,
Journal of Aquatic Food Product Technology Editorial Office

Dear Dr Ellya Sinurat:

Ref: Application of Placket Burman Design Analysis for Optimization of the Physicochemical Properties of Multispecies Surimi

Our reviewers have now considered your paper and have recommended publication in Journal of Aquatic Food Product Technology. We are pleased to accept your paper in its current form which will now be forwarded to the publisher for copy editing and typesetting. We will forward your manuscript to the publisher for final editing and formatting. The publisher will send proofs (read notice below) to you about two months prior to the assigned publication date and requests that proofs be checked and returned to the publisher within 48 hours of receipt.

Thank you for your contribution to Journal of Aquatic Food Product Technology. We look forward to receiving further submissions from you.

Sincerely,
Dr Sivertsvik
Co-Editor, Journal of Aquatic Food Product Technology
morten.sivertsvik@nofima.no

Editor's Comments to Author: Congratulations. I am sorry it has taken some time to come to this conclusion. The receiving editor how handled this manuscript during the first reviews was suddenly unavailable, and I had to appoint a new one.

Receiving Editor
Comments to the Author:
Thanks for revising the manuscript. All concerns from the reviewers are answered
