**Subject:** International Food Research Journal - Decision on Manuscript ID IFRJ21073.R1

**Body:** 18-Feb-2022

Dear Dr. Nursid:

Manuscript ID IFRJ21073.R1 entitled "Comparison of Metabolite profiles and cytotoxicity of black sea cucumber *Holothuria atra* with different drying techniques" which you submitted to International Food Research Journal, has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some MINOR REVISIONS to your manuscript. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript.

To revise your manuscript, log into <https://mc.manuscriptcentral.com/upm-ifrj> and enter your Author Centre, where you will find your manuscript title listed under "Manuscripts with Decisions." Under "Actions," click on "Create a Revision." Your manuscript number has been appended to denote a revision.

You may also click the below link to start the revision process (or continue the process if you have already started your revision) for your manuscript. If you use the below link you will not be required to login to ScholarOne Manuscripts.

\*\*\* PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. \*\*\*

[https://mc.manuscriptcentral.com/upm-ifrj?URL\\_MASK=13eeb91d8e554a02a8b83f0418a0e059](https://mc.manuscriptcentral.com/upm-ifrj?URL_MASK=13eeb91d8e554a02a8b83f0418a0e059)

When preparing and submitting your revised manuscript (which should be labelled as such), you will be able to respond to the comments made by the reviewers, the Associate Editor and the Editor in the space provided. You can use this space to document the changes you make to the original manuscript and submit a list of responses to the comments and suggestions, item by item.

Your list of responses should also be uploaded as a separate file (i.e. Word) in addition to your comments in the system. For the separate uploaded file, please explicitly and clearly state where and how you have addressed the referees' criticisms or provide your reasons for rebuttal of the criticisms. Please submit 'Responses to Reviewers' Comments' for each of the point raised by each referee with numbering system (include line and page numbers), and to cross reference it with the revised manuscript. Please also highlight the changes to your manuscript within the document by highlighting the text or using colored text.

Please download a copy of your manuscript from the system at STEP 3: File Upload after clicking 'CREATE REVISION' and use the file to do the revision. This is because the file has been edited according to the Journal's format.

Because we are trying to facilitate timely publication of manuscripts submitted to International Food Research Journal, your revised manuscript should be submitted by 21-Mar-2022. If it is not possible for you to submit your revision by this date, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to International Food Research Journal and I look forward to receiving your revision.

Sincerely,  
Dr. Ahmad Faizal Abdull Razis  
Editor-in-Chief, International Food Research Journal
